Policy for Personal Mobility Device Use at the Mason Quarry

Electrically powered mobility devices are allowed at the Mason Quarry when used by disabled persons as mobility aids. Vehicles must be no greater than 30 inches in width and 48 inches in length, and must weigh no more than 500 pounds gross vehicle weight. On the emergency access road off Scripps Lane, vehicles must be operated at no more than 5 mph. On all other trails at the Mason Quarry, vehicles must be operated at no more than human walking pace, 2 mph.

Fuel-powered mobility devices are not allowed at Mason Quarry. Noise and exhaust fumes are detrimental to the peaceful enjoyment of all trail users.

Advisories

- Mason Quarry trails are rough. Fallen branches or trees, ruts, mud, and standing water are common.
- Cell phones and internet access are spotty and unreliable at the Mason Quarry.
- Please exercise additional caution when passing people on horseback.
