Carol and Mike Messer attended our meeting to discuss their plans to conduct a horse club trail ride on the Rail Trail Sunday June 27th. They showed us the planned route on the town map starting from the ballfield parking lot, east on Sandpit Road, north on Rail Trail to Pratt Pond, then returning south along the Rail Trail, south on Coyne Lane to the quarry, then returning to the Ballfield. They expect 12 riders to attend.

Liz moved we reimburse Ann Moser \$526.00 for 500 Quarry parking permits. Money to come from the Conservation General Fund. Bob D seconded. Passed unanimously. Budget item: Quarry parking area supplies. Please see invoice from [My Parking Permit](#), 300 Cadman Plaza West, Brooklyn, NY 11201 in BOS mail box.

Discussed the parking permit situation. Once the permits are in use, how will parking in the parking area be enforced? Is a new ordinance needed to do this? Signs saying "PARKING BY PERMIT ONLY" should be put up, but does an ordinance to this effect need to be adopted first so enforcement can proceed?

Members concluded that writing and adopting a quarry parking ordinance would be up to the Board of Selectmen. CC doesn't have authority to do this.
