### **Emergency Meeting to hire Beaver Deceiver installer before winter freeze.**

Extensive discussion of two proposals to remediate major beaver issues at the culvert on the emergency access road to the quarry.

Motion to accept proposed bid from Chuck Crowe of Best Way Wildlife Control, Sandown, NH was made by Bob. Preliminary work to be done on Tuesday, November 30; remainder of work to be completed as soon as conditions allow in Spring. Seconded by Lundy. Unanimous vote.

Bob will contact Chuck Crowe regarding the contract and Road Agent Dave Morrison about removing debris from the culvert on Tuesday morning; unlock rail trail gate so Chuck Crowe may access work area. Barbara will notify Police Department regarding contractor working.

Minutes respectfully submitted by Barbara DeVore
